Description of Intervention
<p>This intervention invites staff and students to go on their annual school tour around their local area. This would reduce the schools overall carbon footprint and costs in regard to school transport. Delphi adventure resort, Atlantaquaria in Salthill or The Burren in Clare would be fantastic options for students.</p>

Commented [ED1]: Provide a

Impact Measurement
<p>After the school tour, a survey will be taken to see whether participants within the students enjoyed exploring their local sites and if they would recommend it to the subsequent year.</p>

Facilitators	Barriers
<p>The school Committee would choose an appropriate local service which would provide an educational and entertaining trip for the senior and junior cycles.</p>	<p>Living in an area (rural) with a lack of potential services which would provide an educational and fun activity for students. Apathy</p>

Intervention Process

1. The school committee must choose an appropriate field trip for the senior and junior cycles. The committee should involve the whole school community in choosing a local landmark.
2. A day will be designated for the chosen field trip and students should be able to walk/ take a bus to the landmark. The aim is to attempt to stay in the county the school resides.
